NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared: the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *i. e.* &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty; or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of disability by Medical Inspection, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the words certifying."

For. 1860 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in diseases that have not been under their charge: and especially in epilepsy, convulsions, chronic suppuration, disorganization of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced: and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, divisional, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division command-er; or, if the troops are not attached to a division, to his corps, depart-ment, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment com-mander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the two certificates on this paper: one that the soldier is furnished with the proper final discharge in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

FINAL STATEMENT

OF

Cyrus N. Walker
8th Reg't of *Tan. Inf.*

VOLUNTEERS.
Died Jan 28 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Landdress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a *veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit* Bounty RECEIVED by the Soldier must be made on the back of each final statement.

Adjutant General's Office,

May 14 1868

Duplicate sent the Pension Office

Received (A. G. Office,).....186

Endorsed on Roll
Apr 24 1868

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received, or disease contracted, stating particularly whether the injury was received or disease contracted in the line of his duty, and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to describe the degree of disability—as *1, 1, &c., &c.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Per. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or if the troops are not attached to a division, to his corps, department, or other commander, or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see the the soldier furnished with the proper final statements in duplicate, and forward BOTH of these certificates, duly signed, to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

FINAL STATEMENT

OF

Edmond H. Warren

8th Reg't of Col. Cav.

VOLUNTEERS.

Disch. Oct. 26/1864 64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service.) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the installments of Veteran or Recruit Bounty RECEIVED by the Soldier must be made on the back of each final statement.

Springfield Mo. July 29 1862.

General.

You will please excuse this unofficial communication, when you learn the facts.

In times like these when you desire to draw around you, good and true men, who stand above the vulgar, the indices of personal malice, and administer more orders with a just conception of your intentions, without favor or partiality to any one. It is admirable in Samlins' Charges from Casey especially, when not sustained by a proper observance of military law. In such Cases. Cardwino, personal enemy and ambition may cause distortion in report against those who are really worthy and good officers - a Case in point - Lt. Col. A. Williams of War saw. who has been an American of

that Post for sometime - and acceptably
to both to Union and the other elements
there. and as I learn from him that
he is probably removed from the Command
in consequence of Complaint having been
made by some one, I beg to state that
my knowledge of Col Willardson's actions
whilst at Warsaw, were such as had
a tendency not only to secure peace
in that immediate locality - but to bring
forth praise and encomiums from those
whom I have conversed with from Warsaw

He is a very just man
and loyal to the Cause. and am sure
that I know him well. and know
that his ideas are heart and soul -
with the Government of the U. States.

I also know that his services
could be used with profit and success
in this St. Division of Missouri.

With true soldiers zeal
and a jealous. due guard, to prevent
injustices being done to any good
officer I make free to thus address
you General I remain

General

I have the honor to represent that I regret the necessity of placing before you the case that will be disclosed in the "Statements" herewith forwarded in relation to Lt. Col. Williamson. In doing so I have many regrets. I regret that there is one traitor in the land; that there is one in this immediate community; that there may be one who may have gotten into the Army the better to accomplish treasonable purposes and at some ^{time} receiving, as an officer, honors and emoluments from the injured Government. And deeply do I regret that I am compelled to ^{change} my opinion of a man I had esteemed and to whose elevation I probably to some extent, contributed. I regret I have been, in any degree, instrumental in placing in power, a man so unworthy of confidence that I cannot now look upon him with any degree of respect and believe to be a warm sympathizer with rebels and not to have one pulsation in favor of the Government except for selfish purposes. It is mortifying to think I have been so much mistaken in any man's character. But I have engaged in this

great contest from principle; for a Government; not from a desire for office or merely to please men - I intend to continue in the contest, in some way, and to the extent of my ability, stand up against disloyalty, in favour of the Government, in every emergency now to the Cops, if necessary, of all other interests - I must therefore expose disloyalty and will not serve in a regiment where there is a known disloyal officer - provided there is not, in due time, some intimation from Head Quarters that such a man will be removed from the service -

I assure you I was, at the first intimation made, incredulous and it was only after repeated representations, in earnest appeals, that I began to suppose it possible Lt. Col. Williamson could be disloyal -

The appeals became so frequent, and from such sources, I was compelled to notice them - If I had not, I assure you the company officers at Warsaw would have resigned, every one of them - Then, no investigation to have been made, others would have done likewise - Then, investigation commenced, the statements were such that no doubt was left in my mind and Major Enos's - We considered the statements overwhelming and to have stopped then, without further investigation, would have caused the resignation of Field & Staff officers - I am sure all feel as I do and will not serve in a regiment with Lt. Col. Williamson - We consider the statements sufficient and no technicalities in pleading can change our opinions - He may be technically acquitted, but never

morally and such acquittal will not prevent resignation of those who favored his appointment and have no cause to regret it except his having shown himself to be a sympathizer with rebels to an extent approved by no loyal man -

Another cause of regret is that I have not been treated properly at Division Head Quarters in this matter - Therefore my apology for now writing to you direct - Can it be that the officers of this Regiment have so little common sense as to look upon "statements" as important and containing enough to convince ~~me~~ ^{them} of an officer's disloyalty, when in reality they are of so little importance as to scarcely call forth a reply from Division Head Quarters? If so, we want to know it, that we may leave the service, being incompetent -

by messenger

I forwarded "Statements" to Brig. Gen. ~~Stetson~~ ^{Stetson} the 8th Inst. and requested him, as an experienced officer to aid & advise and have charges and specifications made out properly - I stated that I did not send the statements as evidence to be used in trial; that they were only taken to satisfy myself how & what charges were to be made; that the whole would come up anew in trial, after charges preferred & - Receiving no reply I wrote on 14th Inst. reminding Head Quarters of the case & received the communication of 16th Inst. of which a copy accompanies this, from Major Barnes. On 17th I wrote for "Statements" & my accompanying

letter to be returned and I herewith send a copy of that letter asking the return -

The "statements" were returned with an accompanying letter dated 22 Inst. a copy of which is herewith sent -

My letter to Genl. Totten accompanying the statements was not returned and I then requested a copy of that letter to be returned to me and no reply has been made -

Should no advice be received, I will make ~~my charges and specifications~~ and if they prove to be informal so that an acquittal be the result, the ~~case~~ will be as I have intimated, when of course I will be at liberty to publish all to the world - But I cannot ~~do not~~ doubt your desire

to aid in all such cases - Your orders all show a determination to seek and punish disloyal men & surely it cannot be inferred from orders that ~~while~~ we are to exterminate marauders, Guerrillas & we are not to expose those who turn them loose without restraint, but to keep in high places those capable of inflicting the greatest injuries -

I do hope, General, you will seriously consider this subject and favor me with your advice - I do not know how to interpret some things at Jefferson City - Some influence has been called in there to forestall opinion & prevent proceedings, I have no doubt -

I am with highest esteem &
your obedient servant.

Sir - Complying with your
Gen^l Order No 14 of the 15th inst I report myself
as Provost-Marshal of this Post, by appointment
from Lieut Col^l James H McClurg Commanding

Very Respectfully

Amos Williamson

Lieut & Adjt of Battalion

In connection with the duties of Provost Marshal
at this Post I beg deferentially to offer a few
suggestions

The operations of this command have extended
to the west and south-west to the distance of over
an hundred miles, and in consequence of
the remoteness of this Post - from the scene of

present troubles, and quite likely those that may hereafter exist Embarrassment interpose in the sending prisoners here that could be greatly alleviated if Warsaw which lies immediately on the ^{borders of the} sedition district was made the point

In the ^{few} case several streams that are subject to sudden rise lie west of here, and have to be crossed and it often happens - as it now occurs - that parties going hence, and returning, are unable to do so. The sparingness of settlements and the absence of any element near calculated to disturb the public quiet - would render the duties of a Poor-warden a blank if it were to depend on neighbourhood delinquencies.

It not unfrequently occurs that prisoners are sent here without adequate proof to establish their guilt. And it is a reasonable inference that in some instances ^{individuals} have been arrested and hurried off, without any reasons to justify such a course. The distance, and the attendant hardships of the journey, only tends to exasperate the disorders which if the distance were lessened would admit

at least of a partial correction by having the
authors made accountable for their acts

A residence in the country, which from the
movement of the troops of this Battalion is made
to connect its self with this Post, ^{as a "presence"} added to a recent
visit there as mustering in Officer, have placed
familiarily before me the attitude of public
feeling, which at the time I left was one of wild excitement

Unauthorized bands of ^{men} supposedly Union-
had been, and were still to some extent
asserting, and taking the property of those,
who, without any proof, further than mere
report; frequently the aspersing of personal malice;
and dividing it among them selves

Nor is it the less to be regretted that Officers
connected with this command, as well as
others, acting in that section permit their
aspirations to interfere with their conduct in
restoring quiet to society, by undue harshness
towards the honest but misguided secessionist

William B. Dixon charged with passing some money of Kelly Barnett living 5 miles North west from Elkton Postoffice in Hickory County mo. Jack Richardson for further information } John Reddy was sent from Limer Creek with dispatches to Capt Cassgren Stationed at Stockton Cedar Co. Hodge - the mule that Hodge swapped to Pitts for the mare was one that came to Reddies with the mare Charles Richter Rides the other & wishes to swap it for one of his own Reddy seems to think Hodge & Richter Pressed them both for a plain statements of facts I refer you to John Reddy

A Scout under Command of St. Pitts started from Humansville to Stewarts living in Polk Co. Mo. took 2 men Prisoners at Stewarts House they said they were from Texas they were travelling in I think an old Buggy with one or 2 Horses they left Stewarts late in the evening after dark they were ordered by St. Pitts to fall in. The next he then ordered John Pillow & Bennett Starkey when they got a short distance ahead to kill them both they both fired one of them fell and was thought dead he got back to Stewarts that night and the last account from him was that he was getting well the other ran and got into a field close to the road and hid himself as well as he could in the weeds the company dismounted got over into the field St Pitts found him first he commenced shooting him with a colts revolver he was by the name of Hodge he begged for Pitts not to kill him Pitts shot him several times killing him almost instantly. Samuel Dent objected to killing men in that manner they threatened to kill him if he ever Reported on them

Some time in March & April last after Humansville became a military Post the militia being Posted there James Kim Wince Marlow Elijah Starkey & W. Linnal went from the neighborhood of Humansville East to the State road leading from Warsaw to Springfield & robbed men of their money in one case they got 80¢ of one man after the man was robbed he went to Nathaniel McBrackens the Post Master at Elkton to get him to travel with him 5 or 6 miles to get out from the robbers said he was a Union man McBrackens went with him he was travelling North this was known to be the case I heard the militia speak of it frequently they also went to the State road leading from Humansville

to Osoles & Robt. more of their money. Hodge & Jones sold some of the horses
to the Indian Council Hodge of Co. Co. & Hopt can M. S. M. sold John

Sir - The subordination of the
excitement that has just swept over the State,
induces the belief that the Commanding General
can now give his attention to the adjustment of
a wrong which I conceive has been inflicted on me
by Col McBlair of this Regiment, and in which
I claim the interposition, accorded to me as I
think, in Article of War No 34

I make this appeal from no captious sense of
provocation, but from an honest conviction that
my rights as an Officer and Soldier, have been
shamefully invaded; but which I have patiently
borne, hoping that the proper authorities
would so far listen to my persecutors, as to
instigate an enquiry into the causes of complaint;
by which means an early settlement could be
had.

On several occasions, I have respectfully
urged on Col McBlair, my deep anxiety to have
the matter brought to a speedy termination,
and on the 19th inst - I addressed him a note -
^{a copy of} which is herewith inclosed, marked (A) convey-
ing to him my intentions, if an adjustment was

longer delay, of applying for a remedy, for self;
but up to this writing, have received no reply.

Without being tedious I desire to say a few
words in reference to the question at issue.

By inference, I am lead to the conclusion, that
the allegations against me are unauthorized and un-
-dermined granted to rebels - and possibly growing
and directly or indirectly to their schemes - whilst
in command at Warsaw. The enclosed letter
marked, (B) will I trust have some influence
with the General in connecting such a belief, as the
Legation to it, embrace the judges of the County
Court, Clerk and Sheriff, with others of the most
respectable and truly loyal men in the vicinity.
And it is a source of great satisfaction to me; that
with the single exception one Citizen - who be-
-cause I did not go to the extent he desired in
the gratification of his private hate. I have the
commendation of the entire community. And
it is attributable no doubt to this individual,
and a few malcontent-officers and men, who
I had compelled to disgorge their ill-gotten plunder
that Col. McClurg was invited to pardon the crime
he has towards me.

Whilst in command at that Post I returned
over \$1200. cash taken from Union Citizens, under
circumstances the most disgraceful to the
Service. Turned over to Quartermaster, a ^{Reverend} Soldier

of horses as Contrabands; that have been properly
^{that have been very much taken as heavily, properly among the such}
from real or assumed Secessionists; - and returned
an equal number; with other ~~other~~ property, to
the rightful owners; many of whom were loyal,
but of which by the worst species of despotism
have been wrested from them. And least a
doubt should linger in the mind of the General
as to the existence of these enmities, I herewith
enclose a Statement marked (C) voluntarily handed
to me by one of the most honest and truthful men
in the Regiment; and who for a long time has
filled one of the most responsible Offices in a County.

And when it is added that this Statement compre-
hends but a meager relation in the sum total of such
transactions, the extent to which it has been conducted
can be pretty well guessed.

I have yet to learn that acts of this sort is the
recognized mode of conducting this war, and that to
oppose them subjects the party to the condemnation of
his government; although it may, with those who justify
them.

If it be any merit, I might claim that I was among
the first to resist the usurpations of the State Government.
Raise a Regiment of Home Guards that acted with
General Sigel on his first advent to the South-west and
subsequently to some extent with the Commanded Gen.
And that I only disbanded them, when after an inter-
view with that truly good man, it was made manifest

that the organization could not be sustained for want of constant authority, and would under the then existing state of affairs become demoralized and inflict more injury than good to the cause.

I have suffered in common with others from that section, the evils of exile and destruction of business. But I do not mention these things with a view of obtaining sympathy; but as well con-
-sisting with those now imputed to me - age, and even with those of some of my former teachers, who at that time, were paying homage at the shrine of scepticism.

I have never it is true thought, that sedition could be subdued by deeds of rapacity, or cruelty, on our part; or that the error could be reclaimed by curses and abuse. And whilst striving in my humble sphere to promote the great object in view, I have still been influenced by senti-
-ments of humanity and the instincts of a gentleman and have endeavored to infuse the same spirit among others; well knowing, that the tendency of such a step, even although successful would lead to licentiousness among our selves, and which if not timely checked would in the end bid defiance to the very laws we were aiming to support.

I have thus succinctly stated what was to me the apparent causes leading to this persecution against me and leave it for the

Commanding General to decide on the most-
 fitting course to settle the grievances complained
 of, which after a prompt response of two months—
 during which, the very doubtfulness of Mr. Gordon
 gave room for surmises injurious to my reputation,
 and which were seized on by my enemies as
 an evidence of guilt and with their calumnies
 have sought to run me in the eyes of all
 loyal men—I ardently hope will now be brought
 to a speedy termination

An officer clothed with authority, visiting
 Warsaw, can soon ascertain if there be grounds
 for the complaints that Col. McClary has rendered
 up against me, whatever they may be. If how-
 ever they shall appear too trivial for even this
 cause, I cannot but conclude that the proper
 instructions will be sent to Col. McClary, to restore
 me to my rights, and relieve me of the odium
 unjustly resting upon me. In which event, if
 it is at all allowable, I would most respectfully
 urge the practicableness of detaching me with a
 battalion of the command, ^{to some} on the Southern
 Mississippi line, or even in Arkansas if necessary.
 All of which is respectfully Submitted

Sir - For over six weeks I have been suspended by your Order from duty, for alleged malfeasance - all of which in the face of Heaven I deny, and challenge the most scrupulous Examination therein. Meantime some detraction has been busy, and I am lost in indignant amazement - at the stories in circulation, that would brand me as a traitor and a felon.

The appointment of a Private of Co "K" to a temporary post, whose antecedents I was ignorant of - but who it seems had served as a teamster in Piers Army - is manufactured into the scandalous Charge - "That my entire Corps of attachers, whilst in command at Warren, was from the ranks of rebel outriders".

My position denies me the possibility of vindicating myself from the odium unmercifully heaped upon me. I therefore ask for justice in the most speedy way, and desire that this whole affair may at once be sifted to its foundation.

This can be done as you indicated in your note to me of the 1st inst - in which you say - "That if

instructions were not sent me (you) I (you)
would make out charges and "specificatus" - yourself

If those instructions have not been received,
the time that has elapsed since you made that
declaration to General Head Quarters, would surely
justify you in carrying it out

It is no time to indulge in private griefs
or the wrangleings of petty jealousies, which all
who know me, will at any time acquit me of
being a willing party to. And even you must
know that ^{on} several occasions I have endeavored
to cement differences that unhappily existed in
this organization, and it is a source of consolation
to know that ^{my} efforts were not unattended with
success. And notwithstanding that I feel that
I have been wronged and outraged, yet I am
willing to meet you and all my accusers in a
spirit of candor and conciliation, for a fair and
impartial investigation of the offenses supposed to
have been committed by me. Failing in the
roads of redress thus set forth; and the prompt and
speedy adoption of one or the other; I have respectfully
to announce to you my intention of appealing to
the Commanding General as the last resort.

I beg that you will favor me at once with
your decision in the premises, and also with a
statement of the complaints, on which charges
may have been, or are to be predicated for a

copy of the Charges as presented,) as rumor and
the vagueness of the few remarks from yourself
are the only sources from which I have been
able to arrive at any knowledge of their character.

I further ask permission to visit Warsaw,
pending any arrangement that you shall adopt
for a solution of the grievance. I have two
children there, left without any plan for their
stay, whose presence would be agreeable
to me under the circumstances, even at the
same time my absence from here could not
as I can perceive be attended with any
embarrassments

I have the honor to transmit herewith "statements" with regards to the acts of Lt. Col. Williamson and I hope you will permit me to trouble you in the matter, as I deem it of much importance that any proceedings be had properly. I do not mean therefore that I desire to lay the case before you merely officially, but for your opinion and advice, for the benefit of your experience and knowledge.

I do not send charges and specifications in form - I see that according to IV. Par. General Orders No. 25 July 5th 1862 to examine charges is the duty of Major White, as Judge Advocate General, but against prisoners. I would be pleased to have his assistance in this case, after your advice to him. If you consider the case of as much importance as I do, the charges & specifications should be properly made, which makes it necessary that they should be drawn by one experienced.

My request is that you read the statements and, if you deem best, have them placed in the hands of Major White with instructions -

I desire, General, to say that these "statements" were taken by me, not as evidence to be used on a trial, but to satisfy myself that charges should be or should not be

made out and in investigating the matter to govern my own action, I deemed it best to take statements in writing which I send - The reports had come to these Headquarters so frequently and in such manner that it was absolutely necessary for an investigation to be made -

I did so not with Lt. Col. Williamson in arrest or under charge, but to see whether or no charges should be preferred and for what - If charges be preferred, of course the whole subject comes up anew, the testimony to be taken with the accused and counsel confronting the witnesses &c.

Phase have the "Statements" I send preserved as it may be important for me to see them again -

Wagon to Desertion
from his Regt.

Springfield Mo March 20th 1862

Colonel

Before my separation as Lieutenant Colonel of the 8.th Cavalry, M.S.M.; Officially transferred. I desire to be permitted to make a statement as an act of justice, for the benefit of the privates of that Regiment, held here as prisoners and undergoing trial for desertion.

Being familiar with the organization from its inception up to the present time, I am fully acquainted with the circumstances that brought it into existence - first as a recruiting and mustering-in Officer; and subsequently, from the position as its second Officer.

It is not necessary to allude to the situation of Missouri further than to say that at the time the Order for the creation of the M.S.M. was published, that there was a general feeling of depression through the Section at least where the members of this Regiment lived.

The disasters on the 10th of August at Wilsons Creek, followed by the Retrograde of the Army under General Fremont; had created a feeling of distrust among many of the most loyal Citizens, in reference to the ability of the United States Government to achieve the regeneration

of this State. The rebels had occupied most of the County South of the Roanoke River through out the fall and winter. Twice had the loyal Citizens rallied to the the support of the liberalizing armies, only to be left as many times to the savages of a rapacious and vindictive foe.

I do not mean to insinuate that there was a want of patriotism among the people. But there was much disaffection, which added to the discouragement consequent on the retreat of two armies sent to their relief, produced obstacles in the way of raising the number adequate to form a Regiment with the desired celerity. And to this as a cause may be assigned the unfortunate condition of those in custody here who were deluded by promises not contained in the General or any other Order for recruiting: but made by interested parties, who shamefully violated instructions contained in Paragraph 226 Army Regulations. Thus; many were told that the force designed to be raised was only intended as an internal police; or a paramilitary status. That they would not in all probability ~~not~~ be required to leave their own Counties, and under no circumstances the State.

Would be permitted to go home whenever they might desire, unless in cases of immediate danger from an invasion.

It would be tedious, besides unnecessary

to dwell further on the imperious
practices to attain the object contemplated
by this class of self constituted recruiting
officers. It is enough to say that its fruits
have been but too visible from the date
of the organization of the Regiment; and
are to be seen in the destitution of the
families of the impoverished here; and in
their own haggard countenances. But
to whom, or at least to all who in the
organization of Companies; as a Muster-mag-in-
Officer; in justice to myself I must say,
I undertook to explain the true nature
and duties imposed on those enlisting.

If indeed I have said or intimated any
thing in favor of those men, I beg that it
may not be construed as in anywise palli-
ating the gravest of all crimes in a Soldier
- that of desertion. But I do not think
they would have acted thus had they been
fully made aware of their obligations to obey
the Order taking them out of the State;
nor do I hesitate to add my full conviction
that if never released, they will join their
commands with alacrity, and hereafter are
made by future conduct that they are good
and loyal men. I have the honor to be

Dear Sir On the 1st inst -
I had the honor of addressing through you a letter to
General Schofield with enclosures containing
the embarrasments in which I had been placed
by the action of Colonel McClary of this Regiment;
and felt hopeful that the General ~~and~~ would take
the matter, under advisement, with a view to an
adjustment of the wrongs complained of, - either as
perpetrated by, or on me; - or both. - At the same
time I felt loath to inflict on him the settlement
of such a question; knowing how much his time must
be preoccupied with far more weighty affairs

I have no the option to suppose that my position
is such as to attract attention beyond the mere ele-
ments of justice connected with the case; due alike
to the humble and great - I feel unwilling to live
a day, superaddened the suspicions of a want of
fidelity. My trust was that by an investigation
the General would see the fallacy of the complaints
against me and interpose his authority to have me
restored to my legitimate place in the Command, -
or if guilty have me removed. And if my
conduct was satisfactory, either replace me as
Commandant at Warsaw or send me to the
Southwest; or anywhere else he might choose.

If however ~~the~~ my invocation is not to be met by
the enquiry sought, I beg you will do me the favor
of returning to me ^{the} letter and papers, transmitted through
your hands above alluded to - I am very Respectfully

Statement of Philip Widdelbach of Capt. Owens Co "F"
at Warsaw, on the 11th day of July 1862 -

At the request of Colonel J. W. Mc-
Clurg to make such statements as I am willing to
make under oath with regard to St. Col. William-
son's acts and doings, since commanding Post at
Warsaw, I am present when
Capt. Melton in command, J. W. Andrews was taken
prisoner at his home in Benton County - (He was taken
because he had been in Price's Army and had never
come in and taken the oath of Allegiance) and brought
to Head Quarters at Warsaw. He was released by
Captain Melton after giving the required bond -

Afterwards he was enlisted as private in Co "K"
(as it was difficult to complete the Company). - When
St. Col. Williamson was placed in command
of the Post (Warsaw) (very soon after) he directed
this man Andrews to act as what he calls Post
Adjutant, and at this date, as for some time ^{say six weeks} past, he has
upon his shoulders the stripes of a Second Lieutenant,
wears his sash and sword and has command of
the Union soldiers who took up arms from principle
and not because they were whipped, engaged in a
bad cause. He signs orders & as Adjutant and in
the late expeditions scouting & into the Country, he
is sent out in command ^{in preference to} the Captains -

Per

Not many days since he brought in two of the best
Union men in this County, charged with having run
him Andrews into the rebel army.

Last week a man, a stranger to all, came
into Warsaw about 10 O'Clock at night, without pass
or anything to show who he was or his business - He
was next morning released by Lt. Col. Williamson
upon the man's statement that he was from Jefferson
City and wanted work - When released he went
at once across the River & proceeded South until he
was overhauled by Capt. Roens and brought back and
placed in guard house - He is now gone and I
don't know how he was released - He was of-
fered work here - I am however since informed he is an idiot.

There are numerous cases in which witnesses
can be produced to show that the rebels have been for-
gotten in all cases, they have been released in all
cases, their property delivered upon their oaths or state-
ments, when Union men have been told they
would have to apply to the Court - Leaders of bush-
whackers have been suffered to go at large on bond
& parole & one chief one of them was suffered to
go (Peaster) on parole & he has left & written back
(I am informed) that he would avail himself of the oppor-
tunity afforded of protecting himself -

In the case of one Wiley Hood,
in which case the papers have been sent to the Provost
Marshal General's office, I have to say that Wiley Hood

had the oath of Allegiance administered to him by
Gen^l Hunter. Afterwards he was engaged with
a band in collecting & stealing horses through this
Country and took Smith about seven or five -
He then returned and was one of the Company that
took one Lieutenant M^c Dade, near Warsaw,
and murdered him in cold blood - This Hood sat
by the fire, when a part of the Company took M^c Dade
out and shot him - He was taken prisoner after-
wards by the troops at Decola & required to report in ten
days - He came however to Warsaw - He was arres-
ted again and his case was examined, the testimony
taken as stated above and sent to Provost Marshal Gen-
-eral - It was a plain case, showing guilt in its vilest
form - By order of Col. Williamson this Hood was re-
leased from confinement & suffered to go at large ^{without} by
giving a bond and since the order of the Provost
Marshal General to arrest & confine him, if any
effort has been made by Lt. Col. Williamson to have
him arrested, it is unknown to this command -

Statement of L. Gibbs, Provost Marshal at
Warsaw, on the 4th day of July 1862 -

At the request of Colonel J. W. McClary to make such statement as I am willing to make under oath with regard to L. Col. Williamson's acts and doings, since commanding Post at Warsaw, I state that: I have heard the testimony carefully read, of Philip Middlebach, and I affirm and testify that his statements are true; that I was ordered to release Wiley Ford without bond, by L. Col. Williamson - When absent from this Post a few days ago, that is during L. Col. Williamson's absence of a few days to Sedalia (having returned last Sunday 29th Ultimo) I arrested on account of additional testimony, and re-placed in confinement one Luke Garner who is a notorious rebel, marauder, murderer - The testimony I perused and reduced plain to writing and presented to L. Col. Williamson on his return from Sedalia - The testimony goes to show that, without doubt, he was present at the taking of Mr. Suttles & Mr. Chapple who were, in Worcester East, attempting to get to their Company (a home guard Company) near the Rail Road, and their murder ^{took place} at "Hackberry Ford" two miles below Warsaw - It shows also that in Worcester East, he was at the taking of a Mr. Suttles (not Suttles above) ~~but another man~~ in Benton County, on which day he was

murdered and at taking of Chappin on day on which
he was killed. It was shown that he was present
at the taking of Mr. Settles' property (after her husband's
murder) consisting of her bedding, her & children's clothing
& every thing of value; that he said Garner threatened
to drive her off if she would not leave and to burn her
house over her head. It was shown that on the 10th day
of March last, this same property of Mr. Settles was found
at his Luke Garner's house. Also that at same time and
place were found a box tin-ware belonging to one Middle-
back taken from his store, and groceries belonging to Cal
Johnson of Polk Co and identified, Molasses, Sugar & Coffee,
also two horses belonging to said Johnson and a horse
belonging to one Jackman a Union man of Benton
County, and a horse & saddle belonging one Bernard
of D. Clark County, a Union man driven to Illinois,
& other property. This evidence was all in writing
& placed before Dr. Col. Williamson on his return
from Sedalia and same evening he ordered me
to release said Luke Garner on parole (without
oath). I had also arrested two men, during Col.
Williamson's absence, who came in voluntarily, who
were bushwhackers under the notorious "Feaster". He
Col. Williamson had these men released on parole, at
same time, without bonds. Again.

About the first day of June last a notorious rebel
known as Capt. Grey came into this place. He did
~~not~~ come to my office (I was not there) and when I was

informed that ~~Ed~~ Grey had been ~~in~~ was in town I made inquiry and found it to be true, that said Grey went to Lt. Col. Williamson and was released upon taking the oath and had left - Lt. Col. Williamson ~~did not report his case to me, the Provost Marshal, but~~ acted himself in the case - This same Capt. Grey last fall was in command of a robbing band and I saw them, about sixty, going to Lion Creek, with wagons to haul off plundered goods - I came near falling into their hands, as they pursued me about $\frac{3}{4}$ of a day - Lt. Colonel Williamson had not a Provost Marshall at that time, except one Baldwin, a Sergeant in Co "K", in reality - However Baldwin was called Provost Marshal and when the legality of his official acts were called in question, Lt. Col. Williamson claimed him to be his clerk -

I have been restrained in my acts as Provost Marshal by Lt. Col. Williamson, who has as a superior officer given me orders that I feel compelled to obey and contrary to orders in such cases under which I considered I should act - I would have resigned, as would other officers, but for the fact that we feel confident Colonel McCung would visit this Post and investigate Lt. Col. Williamson's conduct -

Statement of Capt. W. F. Owens Co "F"
at Massan, on the 4th day of July 1862 —

At the request of Colonel J. M. Collins to make such statements as I am willing to make under oath with regard to Lt. Col. Williamson's Acts and doings since commanding Post at Massan, I state that: Only about 12 to 14 days since (say 23 day of last month) Lt. Col. Williamson desired & requested me to enlist ~~in~~ a man in my company, who was and now is hiding out in the brush and is believed to be from very strong presumptive evidence, one of the men engaged in killing Lieutenant M^r Dade, by name ^{Perry Moon} ~~Wiley M. Dade~~. I really believe from Lt. Col. Williamson's Acts and language that he was communicating with said ~~Dade~~ Moon & he would have been produced if I would have received him into my company — He is still hiding out —

I have been Captain of Co "F" since 21st May & but once have been sent out on a scout — I was out two days with 30 men — I was after the notorious Freester when Lt. Col. Williamson had released a parole (without bond or oath) — He could not be found — I have desired & requested to be sent out at other times but was always refused — Capt. Glade has been kept in Camps in same way, when we might have been operating for good in the surrounding Country and especially south & west where it is known the bushwhackers are concealed —

About eight days

Since it was reported to me that one James Warren, a boy,
had a pistol and was noisy with it at meetings, threatening
Union boys, I sent to find him & deprive him of the pistol.
By threatening to hang him he was induced to say he would
give up the pistol if they would go to the house - When there
the father of the boy denied his son's having a pistol, when it
was known he had - The father was abusive, but sa-
fered to talk - the son was brought to Warrum -
On last Monday the father came in and made re-
port that his family & had been abused, that he did
not want such protection, that he would protect him-
self, that he would then walk into the street and fight
any of them 60 yards, that he had the arms and
would use them - I Col. Williamson would not let me
arrest him, ^{thereby} that he would pacify him by talking with him.

I know and others know that he has
been in the habit of holding private conversations with
known rebels frequently - They are his intimate friends
and advisers - He does every thing to favor them and
their friends and he is harsh, exacting and imposing
in his actions with known Union men -

Statement of Julius Glade, Capt. Co. "K",
Benton County, Mo. on the 4th day of July
1862-

At the request of Colonel J. M. Blevins to
make such statement as I am willing to make under
oath with regard to Lt. Col. Williamson's Acts & doing
since commanding Post at Warsaw, I state that:

About 10th of June one W^m Lead was
arrested by order of Lt. Col. Williamson on charge of dis-
loyalty. On trial before Acty. Provost Marshall Bald-
win, a ~~sergeant~~ the prisoner had four members of Co
"K" to appear as witnesses, who testified to his undoubted
loyalty from before the rebellion commenced and ever
since, and also to the fact of his giving valuable infor-
mation to the Union troops. When in the examina-
tion of the witnesses on part of prisoner, Lt. Col. Will-
iamson came into the Provost Marshal's office and
peremptorily stopped further proceedings, saying that
prisoner has enlisted the feelings of people of the
town & and that he would give other testimony to
rebut the testimony of the defense (meaning no doubt
rebel). It was only proven against said W^m Lead that
he had hauled goods from Sedalia & to Warsaw for
the very rebel that Lt. Col. Williamson is on the most
intimate terms with. It was proven that hauling
was this man's occupation, his means of support -

Lt. Col. Williamson then replied that he was an Abolitionist any how, he had had in his possession a letter, circular or something of the kind from Weed or Brownlow. And that he would require him to take the oath and give bond in \$2000 — Mr Lead's friends told to be impossible before he would, a Union man give a bond as a rebel — Lt. Col. Williamson then offered to reduce it to \$1000 — Mr Lead's friends advised Mr Lead "no not a cent." Lt. Col. Williamson then discharged him by administering an oath to keep the peace, which he had never broken —

All Lt. Col. Williamson's appointments have been from those who have been rebels and who have been in arms. For example as follows: It has been shown to truly that J. W. Andrews (by Ph. Middleback) was taken prisoner because he had been in Price's army & had not come in voluntarily. He joined a Company and was detailed at once as Post Sergeant by Lt. Col. Williamson. Again one John A. Baldwin, a secessionist, joined co "K" and became a ^{ready} Sergeant — He was taken away without my consent and appointed Provost Marshal — After it was noticed that he could not legally act as Provost Marshal, he, by some means, was appointed Sheriff (11th June) of Benton County. But his discharge from his Company is dated 23rd June — Again, a man by name Irwin was enlisted in Co "K" — He was a rebel, was in the "Cole Camp fight" on the rebel side and got shot in the hand.

He was at once detailed as an orderly to be kept as a permanent orderly at Head Quarters. At Mustering on 30 June Lt. Col. Williamson insisted that I should report him for extra pay. This I would not do Captain, do. Lt. Col. Williamson then detailed him for Post Black-Smith, not because there is a necessity for one, but that rebels should have ^{in my opinion} extra pay.

Again, one Robert Sand was enlisted in Co. H. He had been a rebel. Notwithstanding it was the desire that another should be appointed, Lt. Col. Williamson detailed him as Chief Bugler at the Post. Another, a refugee on account of his Union sentiments, and no place to go but into the army, should have been assigned the duty ^{if to any one} which was given this man who has been in the "Coke Camp fight" also & received a wound.

Every act of Lt. Col. Williamson goes to convince the most casual observer here that the sympathies of Lt. Col. Williamson are with the rebels and towards them all favors are shown and the severity used is towards those who have always been Union men. This is producing dissatisfaction, disgust & even bitterness. A command of Union troops under Lt. Col. Williamson can do no good.

It has been by the greatest exertions that the Companies here have been kept in subjection and the officers have been waiting with the belief that a change in the command would

Statement of James E. James, of Nassau
Newton County, on the 4th day of July 1862 -

At the request of Colonel W. M. Clark,
to make such statements as I am willing to make
under oath with regard to St. Col. Williamson's
acts and doings since commencing Post at Nassau,
I state that: from all his acts he is a reception
sympathizer and the following I consider convin-
cing facts: that I have at various times used my
utmost endeavours to bring to justice some of the most
notorious bushwhackers and marauders that have ever
infested this country or any other, and I have had the
testimony of the very best men of the country to sub-
stantiate the facts, and in no instance has one
been convicted or kept in confinement while the case
was being reported to Head Quarters, and in many
cases, the most plain and notorious, the accused
have been released on parole even without bond.
One Captain or Major Fleeter is one of these Cases.
He engaged among the first in the rebellion, was in
the rebel army for six months, got his discharge and
returned and operated West of this with the Pay-
son in command of a company of bushwhack-
ers - He was a terror to the towns in the country
all last winter & this Spring - According to testimony
of undoubtedly good men and his own admissions

he was present at the killing of quite a number
of men and especially of the State Militia —
He was at the Bear Creek fight & ~~at the~~
fight and admitted that he was, and for the pur-
pose of killing State Militia — About 25 to 30
last when I was moving furniture & from my
place at Sulphur Springs, 8 miles from the place, with
ten wagons & team and my family we were
attacked by about 70 or 80 under his command
and one Capt. Amos. I made my escape —
Forces were soon hurried in to that portion of
the country and in such numbers that Feaster &
~~Amos~~ came in, as well as many of their men,
and surrendered — But not one has been con-
victed or confined until the cases could be proper-
ly reported — A number of them were arrested and
were discharged on oath, or bond or parole —
Capt. Amos was arrested and discharged in some
way — Feaster came in and was discharged for ar-
rest, by Lt. Col. Williamson on his parole (no bond
or oath) and has not reported here for three weeks
but has written back that he need not be expected
(as I am informed) but that he can protect him-
self — One Nichols was another among them, a con-
spicuous man — He was arrested here and released
by Lt. Col. Williamson on parole & violated his promise
and has also made his escape, most probably now
with Feaster, Amos, & others in the brush prepared to

fire upon the endangered papers by — While these
most guilty, became leaders, of the band, have thus
been permitted to escape, others of the band, less
guilty, became mere ignorant, have been brought
to just punishment when arrested and taken
to such places as Clinton — There they have been
confin'd and the testimony procured — Ever now
this day, a witness is summoned to go to Clinton in
such a case — Lt. Col. Williamson remarked
to me that he had a sympathy for such men
as Feaster — He contended (that is Lt. Col. Will-
iamson) that Feaster should be treated as a pris-
oner of war, as Genl. Price had empowered him
to raise men &c — saying he had a commission —

Since six or seven weeks since, soon after
Lt. Col. Williamson took command here, one Leland Wright
(a brother of Urid Wright) was arrested — His case
was examined before Lt. Col. Williamson. It was
then proven that said Wright had been up to that
very time from the beginning a most active, violent
and influential secessionist; that he had aided
in the rebellion by furnishing powder &c; that
he had on one occasion at Cole Camp made
secession speed at a meeting of the disunionists, at
which time and place he had trodden under foot
the Union flag and hoisted the rebel flag; that
he was the author of most odious resolutions in-
troduced at that meeting, denouncing the Union.

and declaring that Unionist & Secessionist could not live in the same country and that the former would have to leave or be exterminated. It was known that he was on all occasions a roving, consulting rebel. It was after investigation required by Lt. Col. Williamson that this being should take the oath and give a bond. This he most positively and persistently refused to do. He was kept in the guard house a day or two or three, with every attention shown him such as a comfortable bed &c. &c., at the end of which time after the tender entreaties of his wife and friends (rebels) he concluded to take the oath, but for a time insisted that he should be permitted to take it under a protest that his friends might still know where he stood. As a thing so palpably in violation of rules could not be granted, he at last took the oath and at once replied that he only took it because his wife had persuaded him and for her sake and that he was still what he had been, a Southern man. Then at once, in presence still of Lt. Col. Williamson, he turned and pointed to Capt. Melton and remarked there is a man that should be required to take the oath as readily as I should. To Capt. Melton's reply that that he had not aided in the rebellion & that he Wright had, Wright called Capt. Melton a liar, which was followed by a blow from

87

Wellton and nothing more serious occurred
~~than~~ as Lt. Col. Williamson took hold of Wellton
and others so interfered that every thing was done
to quiet the nerves of the excited and to appease
Southern Chivalry - Then at once this Wright
was liberated, he is now free from restraint, the
Cashier of the Bank at this place & -

This is but one of the Many Cases that might
be singled out, to show how persistently Lt. Col.
Williamson has coloured to screen guilty rebels -
It is known that ~~that~~ this town and country around
have been and are full of them, but, notwithstanding
overwhelming evidence has been produced, not
one has been convicted, or a fair opportunity given
for convicting one of them. These men released,
such as Gheaster, Amos & others, must now be lying
out in the brush, prepared for any emergency -

Not long since Post Marshal Gibbs
was about to take from a known rebel a valuable
horse which he rode into town - The horse was
branded U. S. - The claimant was permitted to go for
witnesses, of whom he said he could produce twenty - He returned
in company with his father - Lt. Col. Williamson took the case
into his own hands - The claimant of horse was his own witness.
It was plain that an attempt had been made to obliterate
the U. S. The deed was there caused by the burning over

the U, while the S was haired over. The claimant said he had made a brand out of bar telegraph wire, that his name was William and the letter was W. It then appeared that it was a W inverted (thins W) - Then it appeared that the inverted W fitted the U better and he said he put it in hurriedly and made a mistake - He said, as his last name commenced with S the "W. S." was for his name - His attention was directed to fact that the S was haired over and the other was a scab - These things were noticed and questions put by others, Lt. Col. Williamson acting as both Judge and Attorney for the claimant of the horse, all in the street - Well the claimant could not explain about one haired & the other not, but said all was done at same time - He was then directed to the fact that the W was much larger than the S (the S the usual size & the W probably five inches) - No explanation, ~~that~~ but so it was - He had been in the rebel army, was not required to prove where he got the horse and did not - Said he owned other horses, that he had branded no other. Still Lt. Col. Williamson said he thought all possible and returned him his horse -

I saw a pair of open, plainly branded U. S which were taken among others when a Govern. train was destroyed up about the Whitey Prairie, and when being taken to Price at Needa were traded to a man as boot in a saddle exchange - I informed Lt. Col

Williamson of same and requested that the vessel
would be brought in and offered to accompany a de-
tachment of men — They have never been sent
for — The facts I have stated with regard to Wright I
have only from others, but most reliable intef. J.E. James

In addition to above I must state that about
five or six weeks since one Capt. Bird O Parks
(a Capt. from the rebel army) came into this town
and in some clandestine manner, as it was known
to very few until after his departure — When talked
about, inquiry was made — Provost Marshall J. Gibbs
was ignorant of the matter, he had ^{not} been at his office,
he had heard nothing of him, could not believe he
had been in town — By perseverance it was as-
certained that Capt. Parks had been in, had gone
to L. Col. Williamson, had done something and gone.

This Capt. Parks was just in from the army —
He had twice raised a company; had been a most
active leader; had been a prominent profer of proslavery
and I don't ^{know} a man in this country who has done
more harm to the Union Cause according to the po-
sition occupied — This man came here

from within eight miles of Clinton, immediate-
ly after his return home -

At the request of Colonel J. M. Blum to

oath with regard to Lt. Col. Williamson's acts and doings,
since commanding Post at Warsaw I state that:

Some eight or ten days since, I was
at night, say 10 O'clock, at Head Quarters of Lt. Col.
Williamson. About 1/2 before 10 Lt. Col. Williamson
entered the office in company with one Robert Henry
(commonly called Bob Henry) and after sitting say
1/2 hour, said Henry was about to retire and Lt. Col.
Williamson handed him a paper. The Adjutant (
J. W. Andrews the private appointed to act by Lt. Col. Will-
iamson) asked Lt. Col. Williamson if he had given
said Henry the Counter-sign — He (Lt. Col. Williamson)
replied that that he had. Robert Henry then re-
-tired. This Henry is in himself nothing, but he is

Statement of Simon Murphy, jurist in
Co "F", at Warsaw, 5th July 1862

At the request of Colonel J. M. McClary
to make such statements as I am willing to make
under oath with regard to Lt. Col. Williamson's
acts & doings since commanding Post at Warsaw,
I state that: Since the establishment of the
Office of a Provost Marshal at this Post, I have
been acting as orderly at that Office. I have been
closely giving my attention to all that ^{was} going on
as I was anxious to gain information and to
witness proceedings, especially after there was
evidence to satisfy me that Lt. Col. Williamson
was not that loyal man he should be. I have
heard Col J. M. McClary read carefully what has
been sworn to by Philip Middlebach, by Lt. Gibbs
Provost Marshal, by Capt. Julius Glade, by Mr. James &
James (a most respectable Citizen & reliable Union man),
and I unhesitatingly say under oath that their
statements are true and that other similar state-
ments could be made, if necessary, to fill page after
page. I had every opportunity of witnessing what has
been transpiring and I have been so perfectly dis-
gusted with the acts of Lt. Col. Williamson that I
would have attempted in some way to leave the ser-
vice -

but for the hope indulged that all officers were not rebels
and that an investigation would be had - Lt. Col.
Williamson has been Supreme Dictator, he has made
his word or Command the Law - Provost Marshal
Gibbs has not been permitted to carry out what he
believed to be the requirements of the Law - When
he attempted to confine those committed for most
serious charges, until orders would return from the
Provost Marshal General, those criminals have been
released by Lt. Col. Williamson and suffered to go
at large, even in some cases on parole -

As one instance the case of Mr. Nichols is sworn
to by Mr. James - He was released by ~~Lt. Col. Williamson~~
Capt. Chilton on parole and appeared at appointed time
for trial. New evidence having been found but not pres-
ent another time was appointed and Nichols paroled
to appear at that time - Before the day arrived, the
same day his, Nichols' brother in Law came in and
stated that Nichols would not appear - This fact be-
ing made known to Lt. Col. Williamson that he asked
to see Mr. Cooper, Nichols' brother in Law - I was present at
the interview and as Lt. Col. Williamson merely asked
a few questions not satisfactory to me, I asked for per-
mission to put a few questions and leave was granted.
I asked him whether or no "he believed Mr. Nichols was
fleeing from justice" - The answer was "I know he is".
Lt. Col. Williamson turned away with a sneer. The
evidence was then taken and it was placed before

Lt. Col. Williamson, who went to show conclusively
that Nichols had been from the commencement a
bushwhacker and jehannet - Lt. Col. Williamson
paid no attention to the case any further - Nichols
was not sent after them or at any time since -
At the time I speak of the Provost Marshal General
was absent at Sedalia & Lt. Col. Williamson was acting.

Statement of Major Edward B. Enos at Warsaw,
on the 6th day of July 1862

At the request of Colonel J. M. McClurg
to make such statement as I am willing to make under
oath with regard to Lt. Col. Williamson's vigilance at
this Post and liberty given to criminals, I state
that: I arrived at Warsaw on night of 3rd Inst, in
company with Col. McClurg. On 4th Inst. we were infor-
med by Officers and citizens of the freedom of the notorious
rebels who had been released on parole, such as Luke
Garnier, Wiley Hood, Foster & others. We were informed
that Luke Garnier was still confined on parole to
the limits of the town (this on evening 4th). After con-
sidering, it was ordered by Col. McClurg, that he should be
arrested and confined. This was without the knowledge
of Lt. Col. Williamson. Search was made for Luke Garnier
and he could not be found. Inquiry was made at
his boarding house and he had not been seen since
before breakfast morning 4th, the morning after our arrival.
Capt. Glade was started in command of a detachment
of men, by order of Col. McClurg, in the evening or early
night, to go to his Garnier's residence 18 miles distant.
This detachment was not ordered off secretly; that is
it went off openly, with the usual ^{no} more attending Cavalry
going off, as there was ^{no} design to keep any thing secret but
Head Quarters. The next day, 5th, I was at Head
Quarters and conversation took place between Lieut. William-
son & myself, in presence of his Adjutant about the

Statement of Major Edward B. Eno at Warsaw,
on the 6th day of July 1862

At the request of Colonel J. M. Blair to make such statement as I am willing to make under oath with regard to Lt. Col. Williamson's vigilance at Warsaw Port and liberty given to criminals, I state that: I arrived at Warsaw on night of 3rd Inst, in company with Col. M. Blair. On 4th Inst. we were informed by officers and citizens of the freedom of the notorious rebels who had been released on parole, such as Luke Garner, Wiley Ford, Feaster & others. We were informed that Luke Garner was still confined on parole to the limits of the town (this on evening 4th). After consulting, it was ordered by Col. M. Blair, that he should be arrested and confined. This was without the knowledge of Lt. Col. Williamson. Search was made for Luke Garner and he could not be found. Inquiry was made at his boarding house and he had not been seen since before breakfast morning 4th, the morning after our arrival. Capt. Glade was started in command of a detachment of men, by order of Col. M. Blair, in the evening or early night, to go to his residence 18 miles distant. This detachment was not ordered off secretly, that is it went off openly, with the usual ^{no} more attending cavalry going off, as there was design to keep any thing secret but Head Quarters. The next day 5th, I was at Head Quarters and conversation took place between Col. Williamson & myself, in presence of his Adjutant, about such liberty. ~~Williamson's~~ ^{Garner's} case was mentioned.

When I informed him that Garner was not in town
Lt. Col. Williamson did not know how to believe it.
His Adjutant started out in confusion - McPaug
were sent to and for and Luke Garner was not
found - Capt. Glade returned in the afternoon
and Garner had not been found -

There was nothing to prevent any one
from coming into this town or going out -

When we arrived here (nine in all) on horse
with arms, shoes &c, we came into the very heart of the
town before we saw any man, when we passed
the guard house - There were no sentinels there
now -

Colonel,

I have the honor to acknowledge receipt
of your communication of the 14th inst.

In reference to Lieut Col Williamson I
am directed to reply that I have carefully examined
the Certificate taken at Warrenton, and there does
not appear to be any specific act of positive
disloyalty shown even in that Ex parte testimony.

If you can prove the Charge of disloyalty
or Conduct unbecoming an Officer, send forward
the Charges and Specifications, but so long as he
remains an Officer of the U.S. Army, and not in
arrest, he must have his proper Command. If
he is disloyal enough to withhold his Command
it can undoubtedly be established.

Very respectfully

Your obed^t servant

Present action

It has been determined from evidence before this Department that the charge of desertion of October 27, 1862, is erroneous. that he was absent without leave from Oct. 27, 1862, until Nov. 20, 1862, and that he rejoined his command on or about the latter date and remained therewith until on or about April 27, 1863.

The charge of desertion implied by his illegal enlistment in another organization on April 20, 1863, against this man is removed and he is discharged to date April 27, 1863, under the provisions of the act of Congress, approved

FINAL STATEMENT

OF

L
Smythford Young
8th Reg't of Cav. W.S.M.

VOLUNTEERS

Rec'd Dec. 18th 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list with then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of their muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
